

Technical drawing of a bridge deck cross-section. The drawing shows a central deck with two side sections. Key dimensions include a total width of 2.50m, a central span of 1.60m, and a side section width of 0.45m. The deck height is 0.40m, and the side section height is 0.16m. The drawing also shows the location of reinforcement bars (elem. łączące _ gwoździe(śruby)) and the connection elements (elementy łącznikowe). The drawing is labeled with dimensions in meters (m) and millimeters (mm).
